ADVISORS

"Next Step, New Perspective"

Our Services

Accounting Advisory

We empower finance teams with technical accuracy, regulatory compliance, and robust reporting mechanisms. Our services include:

- Accounting Standards Implementation • Financial Statement Preparation
- Accounting Policy Manuals • Audit Support Services
- Accounting and Financial Reporting in Foreign Currency

Tax Advisory (Income Tax & GST)

In a complex tax environment, our goal is to simplify compliance and identify savings. Our taxation services span:

- Income Tax Advisory • GST Advisory & Compliance
- International Taxation • Tax Optimization Strategy

Financial Advisory

We offer insight-driven, end-to-end financial advisory solutions to strengthen strategic decision-making.

- Valuation Services • Transaction Support • Virtual CFO Services
- Business Modelling & Feasibility Analysis

IFSC Services

GIFT City IFSC is India's gateway to global finance. We specialize in enabling domestic and international entities to establish and operate in this ecosystem.

Our IFSC-focused services include:

- Entity Setup and Licensing • Regulatory Compliance & Governance
- Strategic Business Support • IFSCA Reporting Advisory

SEZ Compliance

With the GIFT SEZ as our base, we help clients manage end-to-end SEZ operations and compliance. Our services include:

- Unit Registration & Licensing • Compliance Management
- Documentation & Certification • SEZ Exit & De-notification

Team —

Our team comprises experienced Chartered Accountants (CA), Company Secretaries (CS), and finance professionals who bring together technical rigor, practical foresight, and a deep commitment to client success.

With leadership having over 15 years of cross-functional experience across corporate finance, valuations, tax, and compliance, we have successfully delivered on some of the most challenging and high-stakes engagements.

Why Choose Us? —

Deep Domain Expertise

- Decades of collective experience in Indian and international regulatory environments
- Specialized knowledge in GIFT City, IFSC, and SEZ operations

Client-Centric Philosophy

- Customized strategies for each business stage: startup, scale-up, or mature enterprise
- Personalized attention and partner-led engagements

Holistic Services Under One Roof

- One-stop solution for accounting, tax, valuation, and compliance
- Seamless coordination across service lines

Regulatory Foresight

- Proactive advisory based on evolving regulations and business implications
- Regular updates, impact assessments, and guidance on new compliance requirements

Strategic Location Advantage

- Physical presence in GIFT City ensures on-ground execution, liaison, and efficiency
- Proximity to government offices and regulatory bodies for faster turnaround

Credibility and Integrity

- Trusted by promoters, investors, and professionals
- Transparent processes and ethical practices

Scalable and Future-Ready

- Capability to support fast-growing businesses and complex global structures
- Tech-enabled delivery, secure document handling, and digital reporting

About Us —
